DELIVERY & COLLECTION POLICY

We appreciate having the chance to work with you and look forward to a successful event on your end.

As we have the following clause for our rental:

Unless otherwise specified, all tableware, flatware, and glassware are delivered clean (but not polished) and may have watermarks. Our linen may contain folding lines.

Customers must check and accept the quality and quantity of our delivered items. For collection, items should be rinsed, food-free, and repacked into original containers as received. If the customer has no access to a water point, an additional cleaning charge (minimum 100 SGD) will be incurred. Please note that we do not provide set up or tear down services; we solely deliver to the doorstep.

Here is a comparison chart for what we require for the return of the items:
